Breathing space on this very spacious, fully walled vacant stand with mature trees

Onrus is a small seaside village where you can experience a laid-back lifestyle. This is a wonderful opportunity to build a home on a very spacious stand and close to the beach and popular coffee shops and restaurants. It is very seldom an opportunity will present itself for vacant land of this size in Onrus.

Hermanus is a short drive away and offers private schools, private hospitals, restaurants, a golf course, the Hemel-en-Aarde Wine Route and the best land-based whale watching in the world.
