Vacant Land for Sale in Sandbaai

This 833 sqm plot is one of the last available vacant ones in Sandbaai. It is nice and level, and only a stone's throw away from the water - ideal for a dwelling or holiday home. Sandbaai is situated on the edge of Hermanus, opposite the beautiful Hemel-en-Aarde Valley. Named after its sandy bays, it is only a stone's throw away from Hermanus. It offers the ideal base from which visitors can explore Hermanus and its many attractions. Sandbaai beach is mainly used by the locals, making it a more private and intimate section, which is dotted with rock pools and small coves that are ideal for snorkeling and safe swimming at low tide.
