A heartwarming, beautiful home kept in pristine condition

Exclusive Sole Mandate.
It is heartwarming to find a home kept in pristine condition by a proud owner who finds great joy in living in such a beautiful space. Every aspect of this property shows her dedication and love for it.
It is the ideal home for a young couple, retirees or a small family.
Fall in love with the mountain views from the patio in summer or snuggle next to the slow-combustion fireplace in winter.

The home was designed and built by the current owner who has called Vermont, with all its natural beauty, home for several years. Karee Street is a quiet cul-de-sac with 6 properties only.
This well-maintained home will delight the new owner as they will have nothing to do but move in and enjoy.
The modern finishes and practical layout create an architecturally attractive, functional home.
